WELL, FOLKS:

• We just heard from our daughter in Palestine. She spoke of being in a house over there that was 6000 years old. That's some ripe old age. If it had been painted with SHERWIN-WILLIAMS paint it might last for another 1000 years.

Well, the Election is over. I have lots of paint that will look good on Temporary Head Boards.

Yes, I am selling lots of Hose and Hoes. Don't fail to use them as the Lawn needs water and the Weeds need butchering.

Do you want to SAVE MONEY?

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.

300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?

Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car

ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.

But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in—as well as easy to buy and run. There's a Ford dealer near you.
